Declaration:

We declare to the best of our knowledge and belief that the particulars stated herein are true and correct and there is no additional consideration to us either directly or indirectly in any manner other than the amounts indicated here.

These products and related technical information, data, documents and materials may be subject to export controls under EU and/or US export regulations and/or US trade embargo regulations.

In the case of dual-use items and technology subject to European Union Regulation (EC) No. 428/2009: An export license may be required if exported from the EU, and, if certain dual-use items and technology identified in the Regulation, if exported to another EU member state.

In case of products and technology exported from the US: These commodities, technology or software were exported from the United States in accordance with US Export Administration Regulations. Diversion contrary to US law is prohibited.
